4. Please click the “access atherosclerosis online” button on the right and you will be redirected to Atherosclerosis website. No further in log is required since you have EAS member access.

The screenshot shows the homepage of the journal 'atherosclerosis'. The header is dark red with the journal title 'atherosclerosis' in white. Navigation links include 'Articles & Issues', 'Collections', 'For Authors', 'Journal Info', 'Subscribe', 'Society Information', and 'More Periodicals'. A search bar is present with a 'Go' button and a link to 'Advanced Search'. A green banner welcomes users and encourages registration. The main content area features a 'Current Issue' section for 'September 2011, Vol. 218, No. 1' with two highlighted articles: 'The new joint EAS/ESC guidelines for the management of dyslipidaemias' and 'ESC/EAS Guidelines for the management of dyslipidaemias: The Task Force for the management of dyslipidaemias of the European Society of Cardiology (ESC) and the European Atherosclerosis Society (EAS)'. There is also an 'Issue Highlights' section. On the right, there are links to 'Access this journal on SciVerse ScienceDirect' and 'Print or Share This Page'. A 'Society Information' box at the bottom right contains the logo and name of 'The European Atherosclerosis Society'.

Please don't hesitate to contact the EAS Office for help.
